

Membership Application

Thank you for your interest in joining Walleyes For Tomorrow.

WFT has several levels of memberships available for individuals.

INDIVIDUAL MEMBERSHIP

As an individual member, you will receive the WFT Newsletter published to keep members informed of the activities of WFT and issues that are of importance to fishermen. The newsletter will allow you to see how and where your membership dollars are being spent in support of walleye production. The Individual Membership is \$25.00 per year.

INDIVIDUAL SPONSOR

As an individual sponsor you will receive a WFT print of the year, the newsletters and a plaque for your sponsor donation. Each successive year that you sponsor, you will be given a annual print and a yearly decal to place on the plaque verifying your continued sponsoring of WFT.

The Individual Sponsor membership is \$200.00 per year.

CHAPTER MEMBERSHIP

As a chapter member you can participate in the annual chapter fundraising event as a worker or simply by attending the event. Each WFT chapter has a fundraising event every year. By attending the event you will meet others like yourself that support the mission of WFT. The chapter you join is your choice. The Chapter Membership cost varies by the chapter you choose to join.

PATRON

Patrons receive the same benefits as individual sponsors and are automatically given a Chapter Membership that allows you to attend the chapter fundraising event of your choice.

The Patron membership is \$1,000.00 per year.

DONOR

As a donor, you can contribute any amount you feel is acceptable. Your donation will be used for projects and other activities that WFT undertakes to increase the number of walleye in the public waters of Wisconsin. Your donation is greatly appreciated.

To become a WFT member simply complete the following and email it to Jean Coon, WFT Database Administrator at info@fishtfm.com or mail it to ;

Walleyes For Tomorrow
PO Box 1556
Fond du Lac, WI 54936-1556
